**PLAINTIFF'S SUPPLEMENT TO THIRD AMENDED COMPLAINT**

Plaintiff Jeremy Story files this *Supplement to Third Amended Complaint* pursuant to Rule 15(d) of the Federal Rules of Civil Procedure.

Since filing the *Third Amended Complaint* (“Complaint”) Plaintiff has discovered additional facts outside of the discovery process generate new factual allegations in support of existing claims, described herein. Specifically, the new events described here provide further support of the claims of conspiratorial and unconstitutional behavior against Plaintiff at the Homecoming Game at Round Rock High School on September 16, 2022.

**I. ADDITIONAL ALLEGATIONS**

1. As the Declaration of Jeremy Story and its appended exhibits attached to this Motion as Exhibit 1-A, show, RRISD personnel have allowed other favored individuals and causes to hand out documents without jumping through administrative hoops, contrary to the way that RRISD officers interacted with Plaintiff, i.e., the RRISD officers never harassed these other individuals or nonsensically claimed that they are “exercising their First Amendment right” while commanding others not to hand out materials.

2. Additionally, since filing the Complaint, Plaintiff has discovered that RRISD has in its possession a report of its police practices which would support Plaintiff’s claims, showing that his complaints are not regarding “one-off” incidents, but are common in RRISD. The report will

strongly militate against the contention that RRISD personnel are well managed and show they often violate the rights of RRISD targets of attention.

3. As the attached exhibits show, the existence of this report appears to be common knowledge among the RRISD management and its critics – “everyone” knows that a substantial and damning report outlining improper behavior of RRISD police exists and is being kept secret from Story and the public.

4. As described in the declaration, the hidden report will show an ongoing custom and endemic culture of abuse and disregard for rights inside the RRISD police department.

5. The attempt by the Superintendent and defendant board members to conceal the report reveal their willful collaboration and involvement in facilitating such abuses by concealing them.

## II. PRAYER

Plaintiff respectfully requests that this Court consider this Supplement in its adjudication of Defendants’ motions to dismiss and Plaintiff’s remedies, as further pleaded in the *Third Amended Complaint*, along with all other appropriate relief.

Respectfully submitted,

**DECLARATION OF JEREMY WADE STORY**

I, JEREMY STORY, a citizen of the United States and a resident of the State of Texas, declare under penalty of perjury under 28 U.S.C. § 1746 that the following statements are true and correct.

Concerning RRISD's unequal treatment of citizens exercising free speech based on content of distributed materials.

1. Because Defendants have inferred that it treats the RRISD population equally in its pleadings, I here add specific instances during which the RRISD has allowed the dissemination of flyers and materials both political and otherwise that were not part of the school curriculum, which I know because I have seen these distributions and flyers which have been distributed.
2. Outside groups meet in school and flyers are distributed when groups rent school premises. These flyers are not all run through the RRISD Superintendent.
3. For example, during the court case that reversed Roe v. Wade, pro-abortion students and adult activists were allowed to distribute flyers in and around the

**EXHIBIT 1**

schools, including walkways, sidewalks, grassy areas, and parking areas.

4. In another example, RRISD allowed yard signs in front of school to promote adoption of the Voter-Approval Tax Rate Election (VATRE). Posters were also put on the front doors of each school building. Their website and emails were sent out to promote VATRE. The VATRE was hotly contested political issue in our community with many people against it, but RRISD allowed no such flyers or speech against the VATRE on school grounds.

5. When I filed a subsequent grievance for this email incident, RRISD tried to force me to have my grievance adjudicated by the person in charge of IT. When I complained that this was not an impartial person to hear my grievance because the person was involved in blocking my email, the district dismissed my grievance, claiming that I wasn't responding timely, though I was in the midst of an active disagreement with their choice of person to hear the grievance

6. RRISD agents routinely allow or prohibit distribution of materials based on content, e.g., the District placed flyers to encourage people to vote for a bond proposal in students' backpacks and incentivizing teachers with coupons for free food to go out and vote, but not allowing anyone to distribute contrary information.

7. The District uses a service called Peachjar to deliver digital flyers daily into email inboxes of all parents with all kinds of completely non-school activities or activities far less school related than a school board election as was the issue they

**EXHIBIT 1**

objected to on the flyers they threatened me with arrest for passing out. These digital flyers are not individually reviewed by the Superintendent.

8. Flyers by outside organizations are regularly allowed to be put on cars in the parking lot before football games with no prior superintendent approval; nor has there been any regular subsequent attempt to remove such flyers from cars once discovered by the district or district police.

Concerning a police report that will show a pattern of abusive practices.

9. In the last two months, I have learned Defendants are working to stop a detailed independent investigative report condemning the culture and climate of the RRISD police report commissioned by RRISD into the overall culture and climate of the RRISD police department. When I have attempted to obtain the report (a true copy of it at Exhibit 1-A), RRISD has rebuffed my queries in a way that strongly suggests that the report is real. RRISD has even asked the Texas Attorney General to protect its contents from the eyes of the public, as shown in Exhibit 1-B, (a true copy of a RRISD letter to AG seeking permission to keep the report secret).

10. At the February 15, 2024, RRISD Board Meeting, the Board held a closed session discussion to “discuss, deliberate and consult with counsel regarding RRISD PD matters” (K2 on the board agenda). Trustee Bone argued for consideration in open session. The Board acted as though it was only seeking legal advice from Cindy Hill, the District’s Counsel, and thus could discuss the matter in closed session.

**EXHIBIT 1**

11. When the board returned to open session, Trustee Mary Bone stated that she had been made aware of a recent investigation into the culture and climate of the police department by members of the public. She further noted that the existence of the investigation and resulting report had been hidden from her and Trustee Weston.

12. I am aware that Trustee Weston requested the report, read it, and stated that she had to, “request it for months and finally get the documentation.” After her comments, she moved to “release the police department investigation and related documents to the public with any personal redactions needed for public release.”

13. Defendant Trustee Amber Landrum attempted multiple times to hinder board debate on Trustee Bone’s motion by regularly interrupting her, assisted by Defendant Trustee Harrison. Defendant Trustee Landrum then made a substitute motion to table the release of the condemning report on the RRISD Police Department. This motion passed 5-2 with all defendant trustees still serving on the board voting to table (Weir, Landrum and Harrison) along with two new trustees.

14. The Board’s conversation on this issue starts at 2:19:48 into the meeting, at <https://roundrockisdtx.new.swagit.com/videos/297627>, incorporated by reference.

15. Trustee Weston noted during the discussion, “The public has a right to know what is going on...I am deeply concerned that this endeavor [the investigation and report] was underway without the board knowing about it and I am really concerned about what I have seen in this very lengthy document. I believe given the

**EXHIBIT 1**

sensitivity...and the scale of what this investigation was about I believe our taxpayers have a right to see it....this board [referencing the defendant board members] wants to make sure that the public is the last to know about what is going on in Round Rock ISD."

The Trustee Defendants now *disallow* any discussion on non-agenda issues.

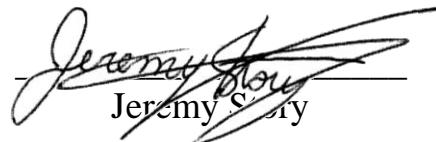

16. Until recently, formerly the public could speak on items not on the agenda at regular board meetings. However, Defendant Trustees Weir, Landrum and Harrison proposed and passed a new policy that restricts public comments at any board meeting only to items on the agenda. See Exhibit 1-C.

17. Further, the Board restricts speech and provides no public option except a private web form that the public cannot hear or see to discuss items not on a board agenda. In this very webform, "AKA Lighthouse Reports System" used by the public to report police abuses. The existence of these "Lighthouse Reports" and the resulting investigation appears to be the building blocks for the report that defendant board members and superintendent are working hard to conceal as noted above.

18. I have attached true copies of four documents that I know to be true to the original, each of which either I created or RRISD created, including:

Exhibit 1-A: Story Emails to RRISD  
Exhibit 1-B: RRISD letter to AG

Re: RRISD / Request for Public Information Determination - TPIA 2023-407 – 10/15-day Letter

Dear Attorney General Paxton:

Round Rock Independent School District (“RRISD”) is requesting authorization to withhold certain information that the District believes is not subject to and/or is excepted from disclosure under the Public Information Act.

Round Rock Independent School District (“RRISD” “The District”) received a request for public information via email on May 30, 2023<sup>1</sup> from Dianne Foletto requesting email communication between RRISD internal Audit department and staff. We are combining our 10-day and 15-day letter in this one document. The 10<sup>th</sup> business day from the date of receipt is June 13, 2023. The 15<sup>th</sup> business day from the date of receipt is June 20, 2023

**REQUEST FOR DECISION PURSUANT TO GOVERNMENT CODE §552.301**

The information that requires a determination from your office is being submitted under this cover.<sup>2</sup> By copy of this letter, RRISD hereby provides notice to the Requestor that we have requested an opinion from your office on whether the requested information is public under the Public Information Act. This request is being submitted pursuant to Texas Government Code Section 552.301 and the identified exemptions herein.

---

<sup>1</sup> See Exhibit 1: Public Information Request

<sup>2</sup> See Exhibit 2: Documentation for review

Any information that we determine to be public information will be submitted to the Requestor upon receipt of any required payment.

**EXEMPTION FROM DISCLOSURE PURSUANT TO GOVERNMENT CODE §552.116**

Section 552.116 of the Government Code provides:

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

The current request seeks communications related to an anonymous Lighthouse report, which is part of the District's fraud hotline. Upon receipt, Internal Audit assigns the report to the appropriate department for investigation, if appropriate. The fraud hotline is included in the annual Internal Audit Plan & Schedule, which the Round Rock ISD Board of Trustees approves annually. The Board approved the current plan on June 16, 2022. In addition, Board policy CFC (Local), which was last revised by the Board on July 7, 2021, provides the process for handling Lighthouse reports. The Board approved the process for handling the Lighthouse reports in December 2021.

By approving CFC (Local); the process for handling Lighthouse reports; and the annual Internal Audit Plan & Schedule, the Round Rock ISD Board of Trustees has authorized investigations into Lighthouse reports. Thus, the current investigation, which is still pending, meets the definition of "audit" under Government Code §552.116. Likewise, the documents marked for review meet the definition of "audit working papers."

**Conclusion**

We respectfully request that this request for information be reviewed for a determination by your office to protect any and all information that is deemed excepted from disclosure under the Public Information Act.

If you have any questions or need additional information, please feel free to contact me at 512.464.5451.

Sincerely,

Jacob Woolston
